ABOUT US

Atlas Integrated Security builds ongoing relationships to provide the highest quality integrated security solutions and ensure safety and operational success for our clients, so we can take the weight of the world off their shoulders.

As the industry evolves, our team is dedicated to staying at the forefront of new technologies and techniques by completing relevant training and certifications, thereby enhancing our ability to meet the growing needs of our customers.

Atlas Integrated security was established in 2017 with the objective of delivering a comprehensive and integrated security solution that ensure peace of mind for our clients. Over the years, we have remained committed to our core values of integrity, professional services, and quality craftsmanship. This commitment has enabled us to expand our offerings to both residential and commercial clients effectively. Our company leverages over two decades of expertise in locksmithing, law enforcement, private security, electronic security, and construction.
